

## VILLAGE NAME RESOLVER

Web Reporter is programmed to accept only the 351 official city/town names in Massachusetts for data entry. If your record information uses one of the more than 1,200 village, neighborhood or community names in Massachusetts, you will need to look up the village name in the tables below to find the official city/town name to use in Web Reporter. The village names are listed, in alphabetical order, on the left. On the right are the official City or Town names that are associated with the village name for use in Web Reporter.

### **A**

Village Name	Official City/Town Name
Abington	ABINGTON
Accord	NORWELL
