RE: Committee to Re-elect Ed King, Governor, Inc.

Dear Mr. Goldman:

Thank you for your letter of August 27, 1982 in which you request a reconsideration of my opinion that M.G.L. c. 55 does not permit the incorporation under M.G.L. c. 180 of a political committee.

I have received your letter, and again advise you that in my opinion, and for the reasons set forth in my letter of August 20, 1982, M.G.L. c. 55 does not permit the incorporation under M.G.L. c. 180 of a political committee. I therefore urge that you take appropriate action pursuant to this opinion.

Very truly yours,

Dennis J. Duffin
